Information about the debt advisory office

english

How can the debt advisory office help you?

- We help you to draw up a clear overview of your debts.
- We help you to find ways of settling your debts.
- We support you in negotiations with creditors.
- We help you to find out whether consumer insolvency proceedings would be possible for you.
- We help you to manage your money better in future, for example by drawing up a budget.

What can the debt advisory office not do for you?

- We do not lend or hand out money.
- We do not broker loans.
- We do not give advice at home.

What should you bear in mind?

- We can only advise in German. If you do not speak good German, you should bring an interpreter with you.
- If you do not have anyone to interpret for you, please still contact us so that we can find a solution.
- We make fixed appointments. You must keep these appointments or cancel in good time.
- We do not disclose any information you give us. We are bound by professional secrecy.
- The advice is free.
